

Hey... do you hear what I hear?

Yeah... only 5 cents for half of an hour?!

Great!

Local Rink

5 cents per half hour on rink.

Please obey rules as following:

- 1. Do not jump or run on ice. It is unsafe.**
- 2. If you forget to pay the fee, be honest and do it!**
- 3. Please, no kicking at the edges of the ice rink, because if you break the ice, you make the rink smaller, and then people can't enjoy themselves and will have less room to skate.**

**Thank you for cooperating,
KT McVeigh (owner of rink)**
